

THE HOT WEATHER HAS no effect upon our trade, unless it be to help it along. Why? because our stock is made up of goods for all the seasons in the year—we are never caught napping—White muslins, for instance, are seasonable at any time and so are Serges and ladies' cloths. For a "stuff" dress there can be nothing better; and we have every imaginable shade to select from. But we are not asking your attention to dress goods, we want you to know that we are selling Ladies' Chemises three for a dollar—You've paid fifty and seventy-five cents each for these same goods many a time. You may have to do it again—they are a drive with us and we want you to get the benefit of it.

Every one wears sailor hats because they are cool, comfortable and stylish—we have them in endless variety, high or low crown. In white, black or cream color.

Do ribbons have much of your thought? Come to us and we will show you the largest assortment ever shown in Honolulu.

Popular Topics of the Day.

This flibustering business is growing monotonous; the people who are engaged in manufacturing rumors should switch off and do something else or the government will lose confidence in them. Such reports do the country no good and we fail to see where the rumor makers are benefited—Hawaii does not seem to mind it much for things are as quiet and peaceful here as in a well conducted grave-yard.

We believe we have quite the best stock of leather in Honolulu and it comprises besides sole leather the celebrated Speits light and heavy harness leather, and leather for saddles. The best of russett and red calf skins. Leather for carriage makers, colored lining skins and soft dash leather. All kinds of leather is higher today than it was two months ago; in some instances it has advanced as much as ten per cent, but as we were well stocked before the rise we can sell at the same old price and perhaps a little lower. We have a very complete stock of Shoe and Harness findings and tools for all kinds of leather work—the price of which is entirely satisfactory to all of our customers.

We have the goods and the prices will suit you.
